

Dear Parent/Guardian,

Your child received a 100% on the Spelling pre-test today! I entered this grade into the grade book as their spelling test for this week. You will find a new list of words below for your child to practice. He or she will be tested on these words on Friday. I will grade these tests but they will not count as a grade in the grade book. This is a way to keep your child engaged and challenged in the classroom! Thank you! Please call or email with any questions!
